Re: Landmark Designation for St. Savior's Church

Dear Chairperson Tierney:

Over the last few months, I have been receiving letters from constituents voicing their support for the landmark designation of the 156-year-old St. Savior's Church located in Maspeth, Queens.

In past years, the Church served the community by offering many programs like summer day camp for children in the area. Today, it is faced with demolition by a developer eager to build multifamily residences at the expense of our heritage and history.

Therefore, I would ask you to provide landmark designation for the Church so it can be preserved for future generations thus contributing to the quality of life that attracts many to live and work in our Borough.

Sincerely yours,
